290.290. 1. The contractor and each subcontractor engaged in any  
2 construction of public works shall keep full and accurate **payroll** records [clearly  
3 indicating the names, occupations and crafts of every workman employed by them

13 records shall not be destroyed or removed from the state for the period of [one  
14 year] **two years** following the [completion of] **final payment on the contract**

35 until such affidavit is filed therewith in proper form and order.

36         **[3.] 4.** Each contractor and subcontractor engaged in any construction of  
37 public works shall have its name, acceptable abbreviation or recognizable logo  
38 and the name of the city and state of the mailing address of the principal office  
39 of the company, on each motor vehicle and motorized self-propelled piece of  
40 equipment which is used in connection with such public works project during the  
41 time the contractor or subcontractor is engaged on such project. The sign shall  
42 be legible from a distance of twenty feet but the size of the lettering need not be  
43 larger than two inches. In cases where equipment is leased or where affixing a  
44 legible sign to the equipment is impractical, the contractor may place a temporary  
45 stationary sign, with the information required pursuant to this subsection, at the  
46 main entrance of the construction project in place of affixing the required  
47 information on the equipment so long as such sign is not in violation of any state  
48 or federal statute, rule or regulation. Motor vehicles which are required to have  
49 similar information affixed thereto pursuant to requirements of a regulatory  
50 agency of the state or federal government are exempt from the provisions of this  
51 subsection.

52         **[4.] 5.** The provisions of subsection **[3] 4** of this section shall not apply  
53 to construction of public works for which the contract awarded is in the amount

290.300. Any **[workman] worker** employed by the contractor or by any  
2 subcontractor under the contractor who shall be paid for his services in a sum  
3 less than the **[stipulated rates for work done under the contract,] applicable**

7 attorney's fee to be determined by the court, and an action brought to recover  
8 same shall be deemed to be a suit for wages, and any and all judgments entered  
9 therein shall have the same force and effect as other judgments for wages.

290.305. No person, firm or corporation shall violate the wage provisions  
2 of any contract contemplated in sections 290.210 to [290.340] **290.345** or suffer  
3 or require any employee to work for less than the rate of wages so fixed, or violate  
4 any of the provisions contained in sections 290.210 to [290.340] **290.345**. Where  
5 [workmen] **workers** are employed and their rate of wages has been determined  
6 as provided in sections 290.210 to [290.340] **290.345**, no person[, either for  
7 himself or any other person,] shall request, demand or receive, either before or  
8 after such [workman] **worker** is engaged, that such workman pay back, return,  
9 donate, contribute, or give any part or all of [said workman's] **such worker's**  
10 wages, salary, or thing of value, to any person, upon the statement,  
11 representation, or understanding that failure to comply with such request or  
12 demand will prevent such [workman] **worker** from procuring or retaining  
13 employment, and no person shall, directly or indirectly, pay, request or authorize  
14 any other person to violate this section. This section does not apply to any agent  
15 or representative of a duly constituted labor organization acting in the collection  
16 of dues or assessments of such organization.

290.315. All contractors and subcontractors required in sections 290.210  
2 to [290.340] **290.345** to pay not less than the prevailing rate of wages shall make  
3 full payment of such wages in legal tender, without any deduction for food,  
4 sleeping accommodations, transportation, use of small tools, or any other thing  
5 of any kind or description. This section does not apply where the employer and  
6 [employee] **worker** enter into an agreement in writing at the beginning of [said]  
7 **such** term of employment covering deductions for food, sleeping accommodations,  
8 or other similar items, provided such agreement is submitted by the employer to  
9 the public body awarding the contract and the same is approved by such public  
10 body as fair and reasonable.

290.320. No public body, officer, official, member, agent or representative  
2 authorized to contract for public works shall fail, before advertising for bids or  
3 contracting for such construction, to [have the department determine the  
4 prevailing rates of wages of workmen for each class of work called for by the  
5 public works in] **request the annual wage order for** the locality where the  
6 work is to be performed as provided in sections 290.210 to [290.340] **290.345**.

290.325. No public body, officer, official, member, agent or representative  
2 thereof authorized to contract for public works shall award a contract for the  
3 construction of such improvement or disburse any funds on account of the  
4 construction of such public improvement, unless such public body [has first had  
5 the department determine the prevailing rates of wages of workmen] **included**  
6 **the wage rates set forth in the applicable annual or general wage order**  
7 for the class of work called for by such public works in the locality where the  
8 work is to be performed [and such determination has been made a part of] **in** the  
9 specifications and contract for such public works.

290.330. The department after investigation, upon complaint or upon its  
2 own initiative, shall file with the secretary of state a list of the contractors and  
3 subcontractors who it finds have been [prosecuted and] convicted [for] **or plead**  
4 **guilty or nolo contendere to** violations of sections 290.210 to [290.340]  
5 **290.345** and such contractor or subcontractor, or simulations thereof, shall be  
6 prohibited from contracting directly or indirectly with any public body for the  
7 construction of any public works or from performing any work on the same as a  
8 contractor or subcontractor for a period of one year from the date of the first  
9 conviction [for such violation] **or entry of a pleading to the charge of**  
10 **violating the prevailing wage law**, and for a period of three years from the  
11 date of each subsequent violation [and], conviction, **guilty plea, or plea of nolo**  
12 **contendere** thereof. No public body shall award a contract for a public works  
13 to any contractor or subcontractor, or simulation thereof, during the time that its  
14 name appears on said list. The filing of the notice of conviction, **guilty plea, or**  
15 **plea of nolo contendere** with the secretary of state shall be notice to all public  
16 bodies and their officers, officials, members, agents and representatives **that**  
17 **such actions have occurred. The secretary of state, upon notification,**  
18 **shall publish the notice of debarment when the final actions for the**  
19 **conviction, guilty plea, or plea of nolo contendere have occurred.**

290.335. 1. If it is found that a public body, contractor or subcontractor  
2 has not complied with any of the terms of sections 290.210 to [290.340] **290.345**,  
3 the department shall give notice of the precise violation in writing to such public  
4 body, contractor or subcontractor. Sufficient time may be allowed for compliance  
5 therewith as the department deems necessary. After the expiration of the time  
6 prescribed in [said] **such** notice, the department may in writing inform the  
7 attorney general of the fact that such notice has been given and that the public  
8 body, contractor or subcontractor or the authorized representative or agent

9 thereof to whom it was directed has not complied with such notice. Upon receipt  
10 thereof, the attorney general shall at the earliest possible time bring suit in the  
11 name of the state in the circuit court of the county in which such public body is  
12 located or where any such contractor or subcontractor is engaged in any public  
13 works to enjoin the award of such contract for a public works, or any further work  
14 or payments thereunder if the contract has been awarded, until the requirements  
15 of such notice are fully complied with. The court may issue a temporary  
16 restraining order **and a preliminary injunction** with due notice to the  
17 defendant in such action. [The plaintiff shall in any such injunctive action post  
18 an adequate bond to be set by the circuit judge.] Upon final hearing thereof, if  
19 the court is satisfied that the requirements of the notice by the department to the  
20 defendant were not unreasonable or arbitrary, it shall issue an order enjoining  
21 the awarding of such contract for a public works, or any further work or payments  
22 thereunder if the contract has been awarded, until the notice is fully complied  
23 with. Such injunction shall continue operative until the court is satisfied that the  
24 requirements of such notice have been complied with and the court shall have and  
25 exercise with respect to the enforcement of such injunctions all the power in it in  
26 other similar cases. Both the plaintiff and defendant in such action have the  
27 same rights of appeal as are provided by law in other injunction proceedings.

28 **2. Whenever it appears to the department that a contractor or**  
29 **subcontractor has engaged in a violation of any of the provisions and**  
30 **requirements of sections 290.210 to 290.345, such that a penalty is due**  
31 **to a public body and the department or a wage is due to a worker, or**  
32 **both, then the department may notify the attorney general of that**  
33 **determination in writing. Upon receipt of such notice, the attorney**  
34 **general may bring suit in the name of the state in the circuit court of**  
35 **the county in which the contracting body is located to obtain**  
36 **restitution on behalf of workers not properly paid or penalties due the**  
37 **public body. The public body, if not the state, shall be joined in any**  
38 **such suit and shall have authority to compromise its claims for penalty**  
39 **in the discretion of the attorney general. Nothing in this subsection**  
40 **shall be construed to preclude any person or public body from**  
41 **asserting any cause of action which it may have against a contractor or**  
42 **subcontractor or surety pursuant to contractual or statutory rights.**

43 **3. All actions for the collection of any deficiency in wages or**  
44 **penalties due shall be commenced within five years of the accrual of**

45 **the cause of action.**

290.340. 1. Any officer, official, member, agent or representative of any  
2 public body, contractor or subcontractor who willfully violates and omits to  
3 comply with, **or knowingly provides false information with regard to**, any  
4 of the provisions and requirements of sections 290.210 to [290.340] **290.345** shall  
5 be punished for each violation thereof by a fine not exceeding five hundred  
6 dollars, or by imprisonment not exceeding six months, or by both such fine and  
7 imprisonment. Each day such violation or omission continues shall constitute a  
8 separate offense as contemplated by this section.

9 **2. It shall be the duty of each prosecuting attorney and circuit**  
10 **attorney in their respective jurisdictions to commence any criminal**  
11 **actions pursuant to this section, and the attorney general shall have**  
12 **concurrent original jurisdiction to commence such criminal actions**  
13 **throughout the state where venue is appropriate.**

290.345. Any person or persons, company, or corporation who  
2 shall discharge or refuse to further employ a worker for filing a  
3 complaint or assisting in the investigation of a complaint relating to a  
4 violation of sections 290.210 to 290.345 shall be punished by a fine not  
5 exceeding five hundred dollars or by imprisonment as penalty for such  
6 dismissal. Each day such violation or omission continues shall  
7 constitute a separate offense as contemplated by this section. In such  
8 a case, the worker shall be returned to employment and shall receive  
9 from the employer wages from the date of discharge or refusal to  
10 employ until the date of re-employment.
